The violation(s) described in this Citation and Notification of Penalty is (are) alleged to have occurred on or about the day(s) the inspection was made unless otherwise indicated within the description given below.

This Citation and Notification of Penalty (this Citation) describes violations of the Occupational Safety and Health Act of 1970. The penalty(ies) listed herein is (are) based on these violations. You must abate the violations referred to in this Citation by the dates listed and pay the penalties proposed, unless within 15 working days (excluding weekends and Federal holidays) from your receipt of this Citation and Notification of Penalty you mail a notice of contest to the U.S. Department of Labor Area Office at the address shown above. Please refer to the enclosed booklet (OSHA 3000) which outlines your rights and responsibilities and which should be read in conjunction with this form. Issuance of this Citation does not constitute a finding that a violation of the Act has occurred unless there is a failure to contest as provided for in the Act or, if contested, unless this Citation is affirmed by the Review Commission or a court.

Posting - The law requires that a copy of this Citation and Notification of Penalty be posted immediately in a prominent place at or near the location of the violation(s) cited herein, or, if it is not practicable because of the nature of the employer's operations, where it will be readily observable by all affected employees. This Citation must remain posted until the violation(s) cited herein has (have) been abated, or for 3 working days (excluding weekends and Federal holidays), whichever is longer. **The penalty dollar amounts need not be posted and may be marked out or covered up prior to posting.**

Informal Conference - An informal conference is not required. However, if you wish to have such a conference you may request one with the Area Director during the 15 working day contest period. During such an informal conference you may present any evidence or views which you believe would support an adjustment to the citation(s) and/or penalty(ies).

If you are considering a request for an informal conference to discuss any issues related to this Citation and Notification of Penalty, you must take care to schedule it early enough to allow time to contest after the informal

Citation and Notification of Penalty

Company Name: Lockheed Martin Utility Services, Inc.
Inspection Site: Rt. 23, Piketon, OH 45661

Citation 1 Item 7 Type of Violation: **Serious**

29 CFR 1910.1020(d)(1)(ii): The employer did not preserve and maintain records of employee exposure of all employees for at least thirty years:

a. Records of radiation exposures for all company employees were not adequately maintained from 1993 to 1995 in that some employee exposures were arbitrarily assigned and based solely upon their past exposures which may have differed from exposures experienced during the period relating to the assigned dose.

b. Records of radiation exposures were not accurately preserved and maintained in that for the period of 1993 through 1995 some thermoluminescent dosimeters (TLDs) which were used to measure and create a record of employee radiation doses, were not evaluated and a zero dose was assigned to an employee where the exposed TLD which was assigned to the employee was damaged.

Date By Which Violation Must be Abated: 03/06/98
Proposed Penalty: $ 2500.00

See pages 1 through 3 of this Citation and Notification of Penalty for information on employer and employee rights and responsibilities.
