

— Coellner, who is a traitor, asked me to come with Karen Camp (knowledgeable assistant of mine) to teach Washam, Henson et al how to rework the recordkeeping system, comply with minimum standards and then to take the whole case to AEDC (Oak Ridge) for budget approval for FY 80/81.

Washam has now hired two Kiel lawyer types. He is directing the fight against the union from a protected position. He does not want a recordkeeping system. His new excuse is that DOE has ordered Goodyear to cut \$3 million out of next year's budget for administration.

I have officially told them they are in gross violation. They made me destroy all the tapes and records. They refused to let the data be recorded where it could be analyzed. He won't let the DOE body scan data be married to the IIT and medical. I am sick of the man's arrogance. The local hothead from OCAW (striker) is a laughing stock for Washam et al. Kennedy's commission has questioned me extensively - I have not opened up to them fully -

I believe a letter from you showing you know certain facts or an interrogatory will do it. Do we have "wall to wall" authority there? If a security clearance is
