

REVISED POLICY – VOL. 10, NO. 1

WEAPONS

The Board of Education hereby finds that the safety and welfare of the citizens of this District are inextricably dependent upon assurances of safety for children attending, and the persons employed by, schools in this District.

The Board prohibits professional personnel members from possessing or carrying or causing the possession or carrying of any firearm or other deadly weapon in any setting that is under the control and supervision of the Board including, but not limited to, property leased, owned, or contracted for by the Board, the site of any school-sponsored event, or in a Board-owned vehicle, **including a school bus**, unless such person is a law-enforcement officer acting in his/her official capacity or s/he has the express written permission of the Board or Principal to conduct programs with valid educational purposes. Any professional employee who violates this policy shall be subject to disciplinary action, up to and including termination.

This prohibition does not apply to an individual twenty-one (21) or older who has a valid concealed handgun permit and possesses a concealed firearm while in a motor vehicle in a public school's parking lot, traffic circle, or other area of vehicular ingress or egress so long as the firearm is out of view from individuals outside the vehicle.

Further, this prohibition does not apply to an individual twenty-one (21) or older who has a valid concealed handgun permit and possesses an unloaded firearm in a locked vehicle or locked firearm case, that is on any part of school grounds used as a parking facility provided, however that the handgun case or rack is not visible to those passing by the vehicle (i.e., the case is in the vehicle trunk, glove box or other interior compartment, or in another locked container securely fixed to the vehicle.)
